YOUR NEW SUSTAINABLE
HOME

Segal Construction is committed to addressing Ontario's housing crisis by building affordable, energy-efficient homes through innovative public-private partnerships. In alignment with Bill 23, More Homes Built Faster Act, we are delivering homes at or below Ontario's Affordable Purchase Price for detached homes, supporting the province's goal of 1.5 million new homes by 2031. Our goal is to provide attainable housing for first-time buyers, retirees, and workers.

**IF YOUR COUNCIL IS INTERESTED IN BEING PART OF
THIS MOVEMENT, I WOULD APPRECIATE A COMMITMENT
IN ONE OR MORE OF THE FOLLOWING AREAS:**

My ambitious goal for 2025 is to build 1,000 units, starting with phase one, which includes developing five compact communities across Ontario. Three municipalities have already signaled a willingness to partner, leaving two remaining spots for municipalities interested in addressing housing needs through this innovative solution.

THE ASK

Facilitating Construction:

Support by adopting flexible bylaws to streamline development, modeled after successful strategies from municipalities south of the border.

Access to Land:

Providing access to serviced or unserviced land that is suitable for the project.

THE ASK

A commitment to provide or finance essential community services such as roads, drainage, street lighting, and electrical infrastructure.

Mutual Non-Disclosure Agreements (NDA):

Given the unpaid time invested in developing this scalable model, I request mutual NDAs to protect intellectual property and sensitive information shared during our discussions.
